

STEAM-tacular SUMMER CAMP 2019

Come ENERGIZE your summer with us!

Dear Campers,

Welcome to STEAM-tacular Summer Camp 2019! This summer we have camps lead by Science Matters, Young Rembrandts, Play On!, JP Sports powered by JumpBunch, and Code Spire.

All camps held June 3rd-June 14th will be located at: Golden High School, 701 24th Street, Golden 80401.

All camps held June 17th – August 2nd will be located at: Free Horizon Montessori, 15920 W 10th Avenue, Golden 80401

Camp Directors will send a specific camp letter one week prior to camp for specifics on entering/exiting the building, where to park, check-in/dismissal procedures, and what to bring and wear to camp each week.

Camp starts each morning at **8:00am**. Please make sure your camper is on time, but not too early. The camp staff has only 1 hour each morning to prepare for the day and we will not be able to check in any campers before **8:00am**. Make sure an adult accompanies your camper to the sign-in table each morning and is waiting for your camper **by 12:15pm for AM-only** campers and **by 4:30 p.m.** for Full Day campers (extended day campers will be picked-up at Free Horizon Montessori aftercare). For AM-Only and Full day campers, we will have a supervised lunch time and campers will be transferred to the afternoon camp (otherwise parents will pick up AM-only campers at 12:15pm).

Our attention will be on the campers 100% of the day; if you need to reach us, feel free to contact the Science Matters office (303) 805-9287 and/or specific partner. Each participating partner (listed above) will call and email you with camp details the week prior to each camp. They will provide additional contact information (Science Matters handles registration).

Please make sure your camper is dressed in comfortable clothes and is **wearing sunscreen**. Feel free to send extra sunscreen for your campers. All campers need to bring a **full water bottle, hearty snacks (AM/PM), and lunch**.

We are excited about the week and hope your camper is too! Please call if any questions! Thank you for allowing us to share STEAM with your child.

Sincerely,
Your STEAM Partners
